ETIWANDANS UNITE IN PLANTING OF 2 CHRISTMAS TREES

Community Ceremony This Afternoon
Plants Deciduous on
School Grounds

P. T. A. WORK REALIZED

Women Take Lead in Project;
J. C. Jones in Charge
of Program

ETIWANDA, Dec. 16.—Two living Christmas trees, standing 17 feet high, were placed in the ground in front of the school house here this afternoon.

In this fact there is more than just the actual work of digging the holes and planting the trees.

Citrus growers, their wives, school children and former residents assembled shortly after 2 o'clock to see the ceremony for the placing of the large deciduous trees, the culmination of a community project, started a short time ago by the active Etiwanda Parent-Teacher association.

From the steps of the red brick school house on Etiwanda avenue, came the program, conducted by J. C. Jones, master of ceremonies, and planned by Mrs. Mark Hickcox and Mrs. W. C. Pearson. Mrs. John Scott is president of the association.

George Frost, a landscape architect, who worked with the Chaffey brothers in founding Etiwanda and later Ontario, turned the first shovel in digging the holes for the trees. He is one of Etiwanda's earliest residents, and assisted in laying out of the school grounds.

The living Christmas trees will be beautifully decorated and lighted, the lights to be turned on for the first time Saturday night during a short community program. The trees will be lighted until after Christmas.

Here in the afternoon, the women of the community saw fulfilled a recent dream.

A salute to the flag was given, following which "America" was sung by those assembled. Invocation was delivered by Rev. J. H. Malloves, pastor of the community church.

With impressive words, Mrs. Scott presented the trees from the P. T. A. to the community, and a response was given by Mr. Jones who is a member of the Chaffey board of education.

A girls' trio, including Leila Frost, Helen Guy and Morrisene Mahaffey, sang "Trees," and Mrs. Rena B. Francis, principal of the Etiwanda school, gave a reading, "Plant a Tree."

The tree planting ceremony then followed. Singing of Christmas carols was scheduled to end the services.

Invited to be present for the occasion were Mrs. A. L. Weber and Mrs. H. W. Hawkinson of Upland; Mr. and Mrs. C. W. Greenlee, Glendale; Mr. and Mrs. A. C. Smith and family of Los Angeles; Mrs. J. K. Spray, and Mr. and Mrs. Clarence Stevens of San Bernardino.

Many other former residents and Etiwanda friends were expected.

In addition to Mrs. Scott as president, the P. T. A. officers are Mrs. Mark Hickcox, vice-president; Mrs. William McKee, secretary; Mrs. John Frost, treasurer and Mrs. Will Frost, historian.

ETIWANDA, Dec. 16.—A unique booster rally was given on the school ground Thursday evening by the Parent-Teacher association to pave the way for the tree planting ceremonial this Tuesday afternoon at 2:30 and the out of doors community Christmas entertainment Christmas eve.

Christmas carols were sung, with Mrs. Wm. B. Hutton at the piano. Short talks were given by a number of local citizens, including Judge Donnelly, J. R. Pearson, Will C. Pearson and Mrs. Glen Shepherd. All were reminded that their presence was much desired on both occasions and they were asked to take note of the fact that a subscription list is to be found at Frost Bros. store and donations will be gladly accepted.

Miss Lucy Gidney who has been on a leave of absence as a Chaffey French instructor, will return here early next year with a degree of Doctor of Philosophy given in French.

VILLAGE GOSSIP

By the Old Gray Mayor

More than your money's worth.

Local Talent is the answer. The best programs we have at Service Clubs or other gatherings around the old cross roads are at functions where home boys clatter out on the floor and do their stuff. It may not be timed to a stop watch or rehearsed to perfection but it has an unbacked whole-someness that is rather refreshing.

I had rather hear old ambidextrous Music Master Jack Howe harmonizing the melodies of the gay nineties and the following tuneful decade just as the whim of the hour or occasion might strike him—than be the King's Guest.

Tonight—the last performance of the Minstrel Show staged by the boys and girls, men and women around the village. Fifty cents for adults and twenty-five cents for kids gets "You-all" a ringside seat. If you feel the urge to yodel—open up the trap and join the chorus.

Anyhow—the object of this show is to earn some money for our Upland Woman's club. You'll certainly get your money's worth.

Cheerfully yours,
Hiz 'Onner

"STOP" SIGNS TO PROTECT EUCLID

Ontario Council Orders Traffic
to Stop; Unemployed
Get Assistance

"Stop" signs are to be placed on streets intersecting with Euclid avenue from B to Eighth streets, Ontario, as the result of action by the Ontario city council last night.

Councilman C. E. Mead recommended the placing of the signs on all through streets so that Euclid avenue motorists would be given an advantage over machines coming on the avenue from the side streets.

A. W. Burt, city service manager, suggested that such a sign also be placed on the west side of Tenth street, but this was not included in the resolution.

As a means of providing work for unemployed Ontario residents, the city officials made definite plans for the digging of a pipe line for laborers, rather than a machine, even though a saving of \$700 would be effected by the mechanical system.

The trench will be dug from Dessau street No. 6 well to Campus and Dessau street at an estimated cost of \$4,584. Law requires that bids be advertised for, but all bids will be rejected and the work done under the direction of Mr. Burt.

Mr. Mead expressed the belief that the Pacific Electric trains speed up too rapidly after leaving the Second avenue depot and in crossing Euclid avenue.

He questioned of Upland and see what steps can be taken to slow up the red cars. He cited recent accidents as indication of speed, although he intimated that motorists were as much to blame as the street car company.

George T. Stamm's
Mother Passes Away

Funeral services for Mrs. Godfrey Stamm, mother of George T. Stamm, who died Thursday in San Diego, were held Saturday morning in Los Angeles. Mrs. Stamm came to Ontario with her husband more than 40 years ago and was well known throughout the community. For the past several years she and Mr. Stamm had lived at Los Angeles and San Diego. She had been ill for a number of months.

Mr. and Mrs. George Stamm are now in San Diego looking after the home there and it is understood the father will return with them and make his home here.

CHRISTMAS WILL BE OBSERVED BY CHURCHES HERE

Several Services on Christmas
Day, Others Planned
During Week

TREES FOR YOUNG FOLK

Special Sermons, Music and
Welfare Giving Will Feature
Programs

Many Christmas celebrations are being planned, but those that will most nearly exemplify the true Christmas spirit and bring to mind the reason for the world-wide celebration, the birth of the Saviour, will be the several services and programs to be held by the churches of the city. Christmas sermons and musical programs will be given on Sunday preceding Christmas day, while Sunday school programs and trees will mark the celebrations held more particularly for the children with other special services on Christmas day.

At the Upland Methodist church there will be a presentation of "white gifts" at the Sunday school and morning service and the pastor will preach an appropriate Christmas sermon, with special music by the choir. In the evening the choir will present "The Christ Child," a Christmas cantata by Hawley. The annual Christmas program will be given on Tuesday evening when the presentation of the "white gifts" will be a feature.

The Christmas service at the Bethany Union church in San Antonio Heights will be held Sunday evening when the Junior Christian Endeavor and the Sunday school will give a program for which special preparations are being made.

The Young People's Christian League of the Brethren in Christ church will give an hour's program beginning at 6:30 Sunday evening. There will be a brief Christmas message, a reading and a number of musical selections. On Wednesday evening the Sunday school program will be given with the younger children presenting a group of readings, musical numbers and pantomime.

On Sunday evening, Dec. 21, a program of Christmas music will be given by the mixed choir at the Upland Mennonite church. On Christmas morning a church service will be held at 10 o'clock and in the evening of Christmas day the Sunday school will present a program, principally of Christmas songs, with the story of the nativity being told and other numbers given.

A Christmas sermon in the morning and vesper service by the choir at 4:30 in the afternoon will constitute the Christmas observance at the Upland Presbyterian church Sunday while the Sunday school will give a program Monday night when there will be a Christmas tree and Santa Claus.

At St. Mark's Episcopal church a Christmas tree and program for the Sunday school will be held at 7 o'clock Monday night while the Christmas observance proper will be held in the church in the morning of Christmas day, service being conducted at 6:30, 7:30 and at 9:30 o'clock, with sermon at the 9:30 service.

Funeral Monday For
Mrs. Anna C. Fertig

Mrs. Anna C. Fertig, age 80 years, died Saturday morning at the home of her niece, Mrs. Bert Hawkey, at 490 East Ninth street.

Mrs. Fertig had lived in Upland four years, having formerly made her home in Long Beach.

With the Stone funeral home in charge, the body was carried to Long Beach Monday where funeral service was held in the Patterson - McQuilkin chapel at 1:30 o'clock, the Rev. E. E. Day of Whittier, her former pastor, officiating. Burial was in Sunny-side cemetery.

Relatives Go North
to Attend Funeral

A number of relatives in Upland were called to Santa Cruz by the death of Nathan Broyles, young son of Mr. and Mrs. Lift Broyles who formerly were residents of Upland, moving to Santa Cruz about five years ago. The boy, who was only 10 years old, died last Wednesday from the effects of an injury received Monday while playing football at school, and the funeral was held Saturday.

Among those going up to attend the funeral were Mr. and Mrs. J. C. Broyles and two daughters, Mr. and Mrs. E. H. Linker, Mr. and Mrs. I. J. Linker, Mrs. Anna Benford, all of Upland, and Mr. and Mrs. H. C. Naylor and two children of Los Angeles.

at the meeting of the Old Baldy chapter Isaac Walton league in the Sycamores tonight.

A venison dinner will be enjoyed by the members as guests of Leigh Thompson and Roy Creighton, who obtained their limit of deer on a recent trip to Kaibab national forest.

"Black Faces" Talk, Sing and Dance In Merry Minstrel Show

It may be a somewhat doubtful compliment to Upland's local talent aggregation to say that the minstrel show given last night in the Tenth street school auditorium under the auspices of the Upland Woman's club was a surprisingly splendid performance, never-the-less when the variety of talent exhibited is considered it can be no less than surprising that so much ability could be assembled in so short a time.

Under the experienced direction of Miss Dagmar Landberg, the large cast of black-face comedians, tap dancers, singers, cakewalkers from cotton blossom land, Spanish prima donna and dancing senoritas, Earl Carroll and his dainty dancing chorus, bowery gangs and fancy steppers, etc., etc., presented number after number of nonsense and entertainment that drew round after round of spontaneous laughter and applause.

Since no small part of the fun of the black-face frolic

was found in the attempts of the spectators to recognize their friends beneath their new complexions, their identity will not be disclosed except in the announcement that Mrs. Harry Plum and Mrs. Lucy Jorgensen won the cake in the inevitable cakewalk contest that brought storms of applause.

Under other circumstances, most of the people in Upland would recognize on sight Mrs. Gus Anderson, Mrs. W. H. Tuttle, Mrs. Nora M. Eells, Mrs. Harry Plum, Mrs. Lucy Jorgensen, Mrs. A. L. Colgan, Mrs. Arthur Pehl and Mrs. George Gregg. But just try to pick them out tonight! And those dusky minstrel men who rally around their leader, Gene Nisbet, whom everybody knows! See how many times you can change your identification tonight as they wise-crack, sing and dance.

It's a great show packed with genuine fun and laughter and will afford an enjoyable evening for the large crowd that is sure to attend tonight.

"HOBO" TELLS OF TRAVELERS' LIFE

Occidental Professor, Who
Lived as Hobo, Speaks
at 20:30 Club

Life of the hobo was pictured by Prof. Towne Nylander, Occidental college, as being one made easy by the generosity of the public, and in speaking at the meeting of the Upland 20-30 club in the Sycamores last night, he recommended that a central charity committee be established, and that no one give anything in response to begging.

As a "hobo," representing the universities of Washington and California and Stanford universities, Prof. Nylander traveled for nine months over 10,000 miles and in every state of the union during the I. W. W. activities in 1914. His purpose was to learn more of the I. W. W. movement.

Hoboes are in seven classes, the "professional" being the highest and includes those who ride only on fast passenger trains and boast they can live without working.

For an hour he told of his experiences while a "hobo" and he left with the members a chart, showing the travelers use on telephone poles and fences directing their "buddies" to likely sources of assistance.

The program was under the direction of Ernest Tweed Tond and the 55 persons present followed with closest attention the interesting story of the unusual life.

Articles For Distribution
For Christmas

With the charity giving and distribution centralized at the chamber of commerce office, many articles of clothing, furniture and toys are being received and several contributions in money have been given to Clair E. Kirk, chamber secretary, to be used in buying needy articles.

In cooperation with the welfare committee and the churches, the needy of the city will be cared for by one organization. All persons who want to have a part in the program can assist by getting in touch with Mr. Kirk or bringing the articles to the chamber office.

Before the goods are distributed, a careful survey will be made to be sure that only the real needy are being assisted.

Manker and Benson are conducting what is called a "Free Toy Exchange." Discarded toys are sought. The firm repaints them and turns them over to the chamber charity group for distribution.

SHOWER OF FRUIT MARKS MEETING OF AUXILIARY WOMEN

Hospital Auxiliary Holds Session on Monday Afternoon,
Reports Made

TREASURY SHOWS DEFICIT

Income Above Expenses But
Tax and Insurance
Are Heavy

Reports from the officers and department chairmen featured the membership meeting of the Woman's Auxiliary of the San Antonio Community hospital held Monday afternoon at the hospital, with Mrs. A. L. Weber, president, presiding.

The treasurer reported the auxiliary was the owner of a \$500 hospital bond, purchased at the bank, thus reducing the hospital debt that much and at the same time turning the interest into the auxiliary treasury. Income from the salvage shop for August and September amounted to \$37.50 and \$10 in dues was paid, making a balance on hand of \$111.14.

Deciding the income from the salvage shop no longer warranted a division between the auxiliary and Mrs. J. L. Grahame, manager, the auxiliary decided to withdraw. However, Mrs. Grahame will continue to operate the shop which is a part of the welfare activity of the community since it gives opportunity for those who cannot otherwise purchase the clothing and other articles it offers, to obtain their supply at reduced prices.

The free bed fund was used for one patient during November at a cost of \$27.38, leaving a balance of \$623.09. One baby was cared for during a siege of pneumonia leaving a balance in the baby fund of \$123.40.

The annual Thanksgiving fruit shower given by the Mennonite Missionary society increased the hospital supply by 54 quarts of fruit, 12 jars of jam and jelly and 42 individual glasses of cranberry sauce. From individual sources 40 quarts of fruit, 56 jars of jam, marmalade and jelly and seven boxes of fresh fruit and vegetables were received during November.

The Christmas shower given Monday brought 71 quarts of fruit, 35 jars of jam and jelly, and a box of persimmons and walnuts.

The report of Mrs. Mae Cable, business manager of the hospital, showed the average number of patients per day to be 21; total number admitted during the month, 77, and number of operations, 48. The total income was \$4,317.73; total expenses, \$4,067.51. Payment of interest and taxes leaves a deficit of \$117.85.

Election of officers will be held at the annual meeting in January and the following nominating committee was named: Mrs. G. A. Hanson, chairman; Mrs. T. W. Nisbet, Miss Gertrude Reid, Mrs. H. O. Chapman and Mrs. J. S. Armstrong.

Mrs. Weber received from Mrs. Earl H. Johnson a lovely corsage of sweetpeas, the first early blooms from her 1931 "crop" that came as sweet harbingers of the harvest of dollars for the baby fund.

Plans Being Drawn For Foothill Work

Actual work is today under way looking toward the widening of Foothill boulevard from the west to the east city limits.

In the district office of the state highway department, San Bernardino, definite plans are being drawn for the widening and when the plans and specifications are prepared, bids will be called for.

Before the widening can be started, however, buildings and some other improvements are to be moved. Indications are that actual work on the project will get underway within 90 days.

When completed the boulevard will be wide enough three lanes of traffic and the right-of-way not paved will be oiled so that the 80-foot strip will be of smooth surface in keeping with the boulevard as it is now improved from Azusa to San Bernardino, except the Upland strip.

Scout Council Will Hold Annual Meet

Annual meeting of the Old Baldy council of the Boy Scouts will be held in Pomona at 7 o'clock Thursday night, at which local scoutmasters, committee men and their wives will attend.

Reports will be presented in a novel way through the medium of a mock trial, with Eagle scout members of the Knights of Dunamis being the prosecutors.

CHANGE IN SCHOOL TAX IS PROPOSED

C. E. Grier Outlines Plan For
State to Take Over Part
of Burden

School taxes, which at the present time total about 60 per cent of the total county tax, will be considerably reduced if a plan now being advocated by the County Tax Equalization association is realized.

With State Senator Ralph E. Swing and Assemblyman Isaac Jones present at a conference of the association officials in San Bernardino Friday, C. E. Grier, one of the leading proponents of the matter, presented the plan that is being considered as a substitute for the former re-imbursement plan in relieving this and other counties of their heavy taxation.

Mr. Grier looks upon the new plan, however, as much better than the proposal of the state re-imbursement those counties effected by the operation of Amendment No. 1.

The measure will be presented at the state legislature next month and if it meets with approval, the voters will have an opportunity to vote on it in the 1932 election, Mr. Grier said.

The plan calls for the state to take over the school tax and in this way relieve agriculture and other real property of this tax. The county and school districts would have to continue maintaining the school grounds and buildings, but other than that, the state would provide money for school operation through a plan yet to be worked out, he said.

The recent campaign in the interests of amendment No. 21 in the November election has awakened those counties that are suffering from an unjust taxation system, Mr. Grier said today, and in view of the support that can be seen, he is optimistic over the prospects of seeing a change enacted.

TELEPHONE RATES AND STREET NAMES PROVIDE PROBLEMS

Residents Protesting Against
Charges of Company
For Service

MANY ORDER OUT PHONES

Planning Commission Offers
Plans For Re-naming
and Re-numbering

Telephone expenditures and street naming and house numbering are problems that provide enough food for much thought, gossip and talk.

Some Upland telephones are being taken out and throughout the district being served by the Ontario-Upland Telephone company, many changes are made.

City of Upland has ordered some of its phone service discontinued and at the Ontario city council meeting last night, it was revealed that Ontario city will discontinue part of its service. In the past, Ontario has been paying approximately \$354 annually for telephones and the new rates boost the charge to \$567 annually. Austin Burt, city service manager, said that this amount would be reduced by discontinuing some of the present service.

At Chaffey a similar program of economy in its telephone service will be followed as the result of the increase in rates. Dean C. J. Booth cited that previously three connections have been in his office but that now a wall telephone set will be installed.

Definite number of telephone disconnections ordered by subscribers in the Upland district cannot be determined, but it is believed to be increasing daily.

Concerning the street naming and numbering problem, the city planning commission has outlined two proposed programs and these have been announced so that the general public will be given an opportunity to consider the proposals.

Suggestions are sought by the commission before its next meeting, Jan. 9.

One plan calls for re-naming the streets so that the first letter of each name will be in alphabetical order, starting with the present "A" street, going north, and calling the avenues by numbers, east of Euclid avenue.

The other plan is that of naming the avenues in alphabetical order and numbering the streets, calling the present "A" street, First street, and continuing the numbers north.

Car Goes Visiting
As Owner Sleeps

William Standon was a visitor in Upland the other night and while he was at the home of William McKinley, Fourth avenue, his automobile went traveling.

The machine was parked in the early evening on the east side of Fourth avenue facing south. A short time later, Upland police found the car at the Upland Lemon Growers association house, stopped by a freight car. The car's brakes were not set secure, it is believed, and the wandering tour was the result.

J. Atwood on Laurel avenue.

These things, I command you that ye love one another.—John, 15:17.

The Home Fights Back

Lecturers and magazine writers who have been holding funerals for the home ever since automobiles and jazz entered the social picture are due for a surprise. Home-life is not dead. It isn't even dying. These professional mourners are so busy with the obsequies they overlook the fact that the home is readjusting itself to new conditions and is coming through stronger than ever.

Science and industry give families more leisure. Luxuries that once were for the few are now enjoyed by multitudes. Home drudgery has gone out as the vacuum-cleaner and electric dish-washer have come in. The automobiles that take families away from home also bring them back to listen to the radio. And with time to practice putts and drives mother and sister have joined father and brother on the golf links.

"Don't think the home is standing still," writes Elmer Peterson in the Rotarian magazine for December. "It has learned the lessons of progress and invention and is now running neck and neck with the outside elements. The home will win out, for it has attractions the outside can't possibly duplicate."

There is the private garden, the joy of the family circle, the pride of possession, the gratification of home cookery, the companionship of pet animals and birds—and the countless things that make home the happiest place on earth.

"For thousands of years the home was unaccustomed to such rivalry. It was not to be wondered at that the past twenty-five years of suddenly accelerated competition should at first find it unprepared. Now the home has caught its breath and is responding vigorously to the new challenge."

Ingrained into human nature is a fondness for a gathering-place of the group that perpetuates the race—and this is the home. Home and family, in the last analysis, are synonymous. Whatever furor may arise over birth control or the shrinking family, or the emergencies of the business and professional woman as contrasted with the home-maker, it is a foregone conclusion that Nature will fight fiercely to preserve that which preserves the human race.

The debacle of the Guaranty Building and Loan Association in Hollywood in which Robert H. Beesemeyer, the secretary and manager, admitted appropriating about \$2,000,000 of the concern's funds to his own use would seem to stamp him as one of the lowest and most scurrilous of humans. Here was a man who held the confidence of thousands of people to such an extent that they were willing to trust their money in his keeping without questioning his honesty or ability; no doubt a very large percent of the accounts being the savings deposited regularly by poor people to whom it meant a great sacrifice; others of whom were paying on modest homes with the hope of some day owning them; yet Beesemeyer had a conscience that would permit him to steal from them. Beesemeyer's villainy should not be considered as a reflection upon building and loan associations, but to the trickery of a dishonest man.

Have you decorated your live Christmas tree yet? A number of Upland people have—and they add a wonderful atmosphere of beauty and cheerful Christmas spirit as you pass by these homes. The habit is growing every year all over Southern California—not only in the towns and cities, but also in the rural districts. And here's something we think is a good idea to be working on for the future: Wouldn't those pepper trees in the parking on Euclid avenue make a wonderful "Christmas Tree Lane" if they were sparkling with thousands of electric lights of various colors? It would be only a few years until it would draw as many people as the famous Christmas tree street in Pasadena—and as a great advantage to traffic we have the paved street on each side of the parking.

Notes of Society

Christmas Party Enjoyed by B-Square Club—

Turning the regular club meeting into a particularly happy Christmas party, Mrs. Madeleine Moses and Mrs. R. M. Hobbs were co-hostesses to the B-Square club Friday afternoon at the home of Mrs. Moses. Poinsettias and greenery were used in the decorations with a gay Christmas tree dominating the scene.

During the business meeting at which the club president, Mrs. E. C. Chapman, presided, the responses to roll call all were relative to Christmas, some singing a Christmas carol, others repeating a Christmas quotation or a poem, and one giving an interesting history of Christmas observance, the whole combining into a really delightful program.

Reports of committees were heard and plans were made for the club's Christmas welfare work.

Attention was then turned to the Christmas tree and the distribution of gifts. Each member had brought a gift and an even exchange was made from the tree, no one knowing to whom her gift was going. The price of a gift had been limited to a small amount and with surprising ingenuity the members had evolved many lovely articles.

Closing the merry party a delightful collation was served at prettily appointed tables, decorated with poinsettias and with favors tied with bows of bright cellophane. Mrs. Clifford Boyd, daughter of Mrs. Sadie Daniels, who has been a guest of the club on several occasions, extended through her mother a cordial invitation for the club to hold the January meeting at her home in Pomona and the invitation was gladly accepted.

Attending the meeting Friday were two guests, Miss Verna Moses and Mrs. D. Moses; and the members, Mrs. H. W. Cordes, Mrs. F. Jebbens, Miss Edna Hoag, Mrs. H. O. Henderson, Mrs. Alice Parks, Mrs. Genevieve Bryant, Mrs. Naomi Harris, Mrs. Sadie Daniels, Mrs. Lola Chapman, Mrs. Amy Wing, Miss Jane Lofton, Mrs. E. W. Hamilton and the hostesses, Mrs. Moses and Mrs. Hobbs.

Several Friends Guests of Mr. and Mrs. Olson—

A group of friends had the pleasure of being guests Sunday of Mr. and Mrs. Ernest Olson when they entertained with a delightful dinner and informal afternoon of visiting. Three wee guests were in the group and as may readily be surmised, they were the center of much interested attention.

Guests of Mr. and Mrs. Olson were Mr. and Mrs. William Brady and small son of Long Beach, Mr. and Mrs. Fred R. Rickel and small daughter, and Mr. and Mrs. Clifford Jellison and baby son.

Advance Bible Class to Make Christmas Wreaths—

Members of the Advance Bible class will meet in all-day session Thursday at the home of Mrs. W. M. Dundas, 1304 North Grove, Ontario, with the principal business of the day being the making of wreaths and filling of card boxes for the Christmas tree that will be part of the Methodist Sunday school Christmas celebration.

A contributed dish luncheon will be served at the noon hour.

Wedding Anniversary Celebration Held

December 10, 1905, was the wedding day of Mr. and Mrs. W. F. Dettweiler, and on Sunday they happily celebrated their silver wedding anniversary at their home, 368 Third avenue. They were married in Halstead, Kan.

With members of their family and other relatives and friends coming to aid in the celebration, a very pleasant afternoon was spent together, the presence among the guests of two who were guests at the wedding 25 years ago made reminiscences of the old days an enjoyable pastime. These two were Mr. Dettweiler's sister, Mrs. Cleo Moser, and Mrs. D. C. Welty, Mrs. Welty having been one of a quartet who furnished part of the nuptial music.

During the afternoon appropriate talks were made by J. C. Mehl and the Rev. A. J. Neuen-schwander, pastor of Mr. and Mrs. Dettweiler, and several musical selections by Miss Eunice Dettweiler were enjoyed.

Early in the evening a delightful buffet supper was served, including a delicious and beautifully decorated wedding cake. At this time an interesting revelation was made by Mrs. Dettweiler, when she exhibited a piece of the first wedding cake which she has saved these many years, and the suggestion was made that she save a piece of the new cake to exhibit on her golden wedding day.

Closing the very happy gathering, all joined in singing Christmas carols.

The Dettweiler home was prettily decorated with roses and yellow and lavender chrysanthemums, while the appointments for the supper were all in silver and white.

A number of handsome gifts were received by the celebrating couple, a beautiful 40-piece set of silver coming from Mr. Dettweiler's relatives in the east, while a number of individual gifts, several of them pieces of silver matching the set, were presented by relatives and friends, both here and in the east.

Among the guests congratulating Mr. and Mrs. Dettweiler and spending the afternoon with them were Mr. and Mrs. Cleo Moser and son Bobby, of Glendale; Mr. and Mrs. D. C. Welty and two children, of Los Angeles; Mr. and Mrs. L. E. Moser, Miss Ruby Moser, Mr. and Mrs. J. C. Mehl, the Rev. and Mrs. A. J. Neuen-schwander and three children and the members of the Dettweiler family, with a friend from Los Angeles, Herbert Brand, coming in during the afternoon.

Mrs. Williams Is Hostess at Christmas Meeting—

Mrs. R. C. Williams was hostess for the annual Christmas meeting of the Northern church of Bethel Congregational church the members gathering at her home on East Ninth street. Christmas decorations prevailed with a prettily decorated tree holding place of honor.

Varying from the usual custom of exchanging gifts among themselves, the members this time brought gifts of groceries and fruit to be distributed in welfare work.

During the afternoon the regular meeting was held and the

lesson on Porto Rico was studied, Miss Gertrude Reid being the leader, and sometime was devoted to the singing of Christmas carols.

The meeting, which was attended by 21 members, was closed with a social hour during which Mrs. Williams served dainty refreshments.

Forty-five Relatives Help to Celebrate Birthday— California lived up to its reputation and provided a beautiful day for the celebration Sunday of the birthday of Mrs. M. V. B. Bradford of Ontario, at the home of Mr. and Mrs. F. H. Manker, 603 Second avenue, 45 relatives being present to help her observe her seventy-sixth anniversary.

Of Mrs. Bradford's children, all were present with the exception of the oldest son, Mark G. Bradford, of GoodSprings, Nevada, who found it impossible to attend. The other children who were present were Mrs. F. H. Manker, Mrs. Charles M. Sikes, James G. Bradford, Mrs. R. B. Pallett, Miss Lulu J. Bradford and Mrs. R. B. Frownfelter. Besides the children, of Mrs. Bradford, a daughter-in-law, Mrs. James G. Bradford was present, and sons-in-law F. H. Manker, C. M. Sikes and R. B. Pallett, were also among those present; the fourth son-in-law, R. B. Frownfelter being unable to be here.

Of the grandchildren 13 were present, 11 being unable to appear. The grandchildren were Mr. and Mrs. Chas. V. Benson, Mr. and Mrs. Melvin Sikes, Mr. and Mrs. Clarence Sikes, Mr. and Mrs. Heber Clewett, Mr. and Mrs. Robert Manker, Mr. and Mrs. Fred Bradford and H. L. Manker, whose wife is at the San Antonio Community hospital with the very newest great-granddaughter. The great-grandchildren present were Dorothy Jane, Jeanne, Jim and Brad Benson; Lorraine, Donald and William Sikes; Donald and Billy-Joe Bradford; Kenneth,

Junior and Miriam Clewett; Robert and Gordon Sikes; Marilyn Manker and Shirley Manker, with four great-grandchildren unable to be present, making 20 altogether. A special guest was Miss Jennie Smith of Ontario.

CHAFFEY FACING BIG HOOP SERIES

Newport Will Be Met in First
Game of Tournament;
Riverside Loses

The first real big test in basketball circles comes this week at Huntington Beach, with Chaffey one of the favorites to repeat its championship work of a year ago.

Newport will be met in the first play-offs Thursday night. Three teams will be taken to the beach city by Coach Karl Kaiser.

This evening, Chaffey and Pasadena high schools are to play an exhibition game in Los Angeles before a group of assembled coaches.

Following Friday afternoon's performance in defeating Riverside 25 to 17, Chaffey is in better form and it is a safe prediction the Tigers will remain in Huntington Beach until late in the tourney.

C. P. Mengle's Case in Juvenile Court

The case of C. P. Mengle, former business man here, charged with contributing to the delinquency of a minor, has been transferred to the juvenile court from the superior court, George H. Johnson, district attorney, announced yesterday.

The trial was scheduled to open in Superior court last week, but it has been placed in the other court and will be heard by Judge Leonard at an early date.

It was reported previously that the case had been dropped, but District Attorney Johnson said he knew that such was not the situation.

If conversation lags, the hostess should ask the guests if any of them ever had an operation.

Coach Howard Mitchell of Chaffey played with the Stanford team in the Rose Bowl against Notre Dame in past years and he has received a gold football for this distinction. The gift came from Stanford.

Success of Upland Red Cross Chapter Gets Recognition

The splendid achievement of the local Red Cross chapter in securing even more than its quota in the recent national American Red Cross roll call, is well known here, and that the work of the chapter is also appreciated by the national officers is shown in a letter recently received by the local chairman, Mrs. W. B. West.

Recognizing that the success of the local campaign was not due to the work of the chapter alone, but also to the generous cooperation of other organizations and individual citizens, Mrs. West asks that the appreciation be passed on to the public. The letter follows:

We are delighted to have your report that Upland Chapter has attained its membership goal. Please accept our congratulations on being one of the first chapters in the state to do so.

Won't you accept for yourself and extend to all your coworkers our appreciation and thanks for all the work and time expended in bringing your Roll Call to a successful completion?

Very sincerely yours,
(Miss) Marianne King,
Assistant National Director,
Public Information and Roll Call.

Modernize your home. Magnolia Building and Loan association will help you do it. 98-11

Four Uplanders are among the cast selected to present the annual senior play, "His Majesty Bunker Bean," it was announced today.

These include Betty Lee Bodenhamer, Donald Ruth, James Hiller and Wanda Oswald. The play will be given in the Chaffey auditorium Jan. 16, under the direction of Mrs. W. H. Kegley. Chaffey Showing in Honolulu Is Looked Upon as Outstanding

Showing by the Chaffey Panther football team in Honolulu is looked upon as exceedingly commendable by local gridiron followers and a welcome that will rival in enthusiasm and spirit the sendoff given the team, is already being planned.

Chaffey defeated Kamehameha college 12 to 0 in Saturday's game, the second one in the Honolulu invasion. McKinley high school fell the previous Saturday.

This record is looked upon as the best ever made by a mainland team visiting the islands.

Coach Heiser and his squad of 25 players will arrive here early next week.

In honor of the Panther grid squad, a banquet will be given by the women students in Hotel Ontario Jan. 9. On the committee from the Upland district are Marian Brownless, Etiwanda, and Helen Samuels and Thelma Ferris.

Work Underway on "H.M.S. Pinafore"

Work is already underway for the presentation of the musical comedy, "H. M. S. Pinafore," to be given by Chaffey junior college students and a selected chorus Feb. 13 and 14.

Proceeds from the event will go toward the Kamehameha fund for next year's game.

of Upland, who will assist on the program committee.

W. C. Reynolds and family were in Van Nuys Sunday visiting at the home of Mr. and Mrs. D. C. Morrison, former residents of Upland.

Mrs. Lucy Inman has returned from Iowa where she spent the past nine months with her father and a sister and brother. She is at present with her sister, Mrs. Fay Rodgers. Mrs. Inman went to Iowa last February and she says she has no desire to experience another eastern winter.

GRIER SAYS TAX FIGHT TO GO ON

Proposed Change Will Get No Help From Public Utilities, Rotarians Told

Giving a vocational talk today at Rotary club, C. E. Grier, chairman of the board of supervisors, gave reasons as to why the tax reimbursement proposition was defeated in the recent state election, the big one being that not all the counties in the state would be benefited and many voters were thus not to be benefited. The public utilities are satisfied with the present tax plan and will fight any change in same.

As stated elsewhere in The News today, a new plan was formulated at a meeting in San Bernardino last Friday—and the new fight will be carried on from this time until its successful conclusion. Senator Swing and Assemblyman Jones will start the fight in the state legislature at its first meeting, to be held soon. The new plan, which has been Mr. Grier's idea from the start, even previous to joining with the northern counties on tax reimbursement in the late campaign, is that the state take over the full cost of operating the public schools except in providing buildings, instead of raising 50 or 60 per cent of the cost as at present. It is proposed that this additional expense at the hands of the state be met by tax on cosmetics, chewing gum, tobacco and other luxuries. This would relieve personal and real property of this direct tax.

Mr. Grier also stated that a bill will also be introduced in the legislature asking that those who carried on the fight against Amendment No. 21 be asked to show where the money came from.

Dr. Merton E. Hill of Chaffey union high school and junior college, who is president of the state organization of junior colleges, stated a similar fight to make the state pay the full cost of the junior colleges in California would be made.

Because of the revival meeting now in progress at the Nazarene church, no elaborate Christmas observance has been planned. However, the children of the Sunday school will present a program of Christmas songs and readings during the regular Sunday school hour.

Notes of Society

Upland Hostess Club Enjoys Christmas Party—

A Christmas program was given by the Upland Hostess club when the members met last evening at the home of Mrs. R. S. Hood on West Tenth street.

Mrs. Hood had arranged unusually pretty Yuletide table decorations, tall red candles being used with circles and borders of the red geranium blossoms and green leaves hung from the chandelier.

The table appointments, including the gay napkins also carried the Christmas motif.

Miss Corinne Hedges presided as hostess for the evening and presented the speakers, the first one being Mrs. Peter Guthrie, who gave an interesting history of St. Nicholas magazine. This widely read magazine that has carried contributions from many famous authors, was established in 1870 and is one of the very few popular magazines to have continued unaltered for 50 years.

Mrs. Guthrie stated. She also told of the delightful reading to be found in its pages.

Christmas in Denmark was the fascinating subject of an enlightening and entertaining talk by Mrs. Bodil Peterson, who, as a native of the land of islands, the country embracing 150, was able to give truly first hand information.

Something of the topography and the geography of the country, its beautiful old castles that are slowly going to ruin, its picturesque villages and larger cities was told by Mrs. Peterson as a background for her picture of the customs of the people and especially of their Christmas celebrations.

Miss Lois LeBaron Avery gave her usual constructive criticism and suggestions and the entire group joined in singing Christmas carols, Mrs. Geo. W. West accompanying at the piano.

Attending the meeting were Mrs. Ralph Almquist, Miss Avery, Miss Irene Beattie, Mrs. Peter Guthrie, Miss Corinne Hedges, Miss Rosamond Martin, Miss Lela McClelland, Mrs. Sam Lamb, Mrs. Harry Phelps, Mrs. F. X. Toomey, Mrs. Geo. W. West, Mrs. S. G. Marshall, Mrs. L. J. Horsch, Mrs. Bodil Peterson, Mrs. W. B. West and as a guest, Miss Grace West.

Aker, pastor of the Methodist church, officiating.

The young couple were accompanied by Mr. and Mrs. Cecil Myers, Miss Gracebell Confer and Harland Confer.

The bride, a lovely young woman, of appealing personality, wore a smart sports costume with all accessories harmonizing. Both the bride and groom are graduates at Chaffey and are well known to many friends in both communities. Mr. Confer is now with the United States forestry service and he and his bride are at home at 759 1-2 Second avenue.

Mrs. Paulin Entertains Friends at Luncheon—

Upon invitation of Mrs. James H. Paulin, several of her friends gathered at her home Friday for a delightful luncheon and afternoon of visiting.

Mrs. Paulin used lovely sweet peas as the floral decorations on the prettily appointed table and a delicious menu was served. During the afternoon the guests and their hostess visited while busy with Christmas needlework.

Enjoying the party with Mrs. Paulin were Mrs. R. W. Doig, Mrs. D. J. Cameron, Mrs. M. E. Hill, and Mrs. Carrie Doig.

It was during the lodge session, following the regular bus-

LIVING CHRISTMAS TREES LIGHT CITY

Decorated Deodars Loom Up Throughout District; More to Shine

Custom of decorating and lighting living Christmas trees is becoming popular here in Upland and throughout the district, and many more trees will be lighted by the end of the week, according to reports.

Dec. 20 is the date set by the Outdoor Christmas Tree association for the lighting of the trees and Clair E. Kirk, chamber secretary, said that on that date more trees will shine at night.

It is pointed out that the lighted living Christmas trees not only make the district more beautiful but also assist in spreading the holiday cheer.

People are urged to light up trees and where there are no deodars trees to plant a living Christmas tree and decorate and light it.

ness meeting, that the presentation of the gift was made by H. A. Peters.

2 ASSOCIATIONS END GOOD YEARS

Mt. View and Cucamonga
Groups Hear Annual Re-
ports and Elect

With two associations holding their annual meetings Saturday, last of the sessions were ended, with one exception, and in all the associations throughout the Ontario-Cucamonga Exchange district, preparations were ready to handle the 1931 citrus crop.

In the Presbyterian church Saturday noon, members of the Mountain View association dined and heard reports and discussions on the citrus market.

E. H. Stanford was re-elected president of the association at the business meeting held in the morning, with other officials being Dr. Ralph Smith, F. Smith, Paul F. Schowalter, H. S. Campbell, J. F. Doderer and G. B. Ford, Jr.

Harry B. Harlow, manager of the O-K exchange office, was the principal speaker following the dinner in the church. He reviewed conditions during the year and asked for the continued cooperation of all the growers. Many of the association members and visitors heartily enjoyed the dinner, served by the Presbyterian women.

The Cucamonga Citrus Fruit Growers' association received \$278,757 for 144 carloads of oranges sent out during the season. N. H. Garrison said in his report at the annual meeting held in the packing house Saturday afternoon. The income was nearly \$10,000 more than the total received in 1929, even though the shipments were less than half of the previous year's total.

Margaret Henderson,
Etiwanda, Married to
Young Cucamongan

ETIWANDA, Dec. 16.—Margaret Henderson of Etiwanda and Johnnie Rehm of Cucamonga were united in marriage at a beautiful home wedding at the home of the bride's parents, Mr. and Mrs. R. R. Henderson, Sunday morning at 10:15; Rev. J. H. Malloes officiating. Miss Ardis Hostetter of Upland was bridesmaid and Irvin Hostetter was best man. Other guests included the Henderson family, Mr. and Mrs. Rehm and son, Charles of Cucamonga, Miss Edith Bessant of Alta Loma; Floyd Ellis of Elsinore; E. M. Jennings and Miss Cecil Jennings of Los Angeles.

Following the ceremony Mr. and Mrs. Rehm departed to spend their honeymoon at Big Bear valley, after which they will occupy a home made in readiness by the groom at Alta Loma.

Both are prominent young people here, former students at Chaffey high school and the bride was born and raised in Etiwanda. They have the best wishes of the entire community for future happiness.

One Man Injured in Traffic Accidents

One man injured and four wrecked automobiles were the results of traffic accidents in and near Upland over the week-end, both occurring on Foothill boulevard.

J. O. Henderson, Ontario business man is in San Antonio Community hospital suffering with a cut over an eye, following a crash at Foothill and Hellman, near Cucamonga. Mr. Henderson was driving north and W. C. Keller, Pomona, was going west when the accident occurred at the intersection.

Mr. Henderson is expected to survive the injuries. John Anderson, supervisor of the San Bernardino city district, escaped injury, but his new sedan was wrecked in a crash yesterday on Foothill near Mountain avenue. Wayne T. Elgin, Jr., Los Angeles, was the driver of the other machine, which collided with Anderson's car. It is reported by Upland police that Elgin was driving in the wrong lane.

Junior High Gives Christmas Program

As a closing feature of school, the eighth grade history club at the Upland junior high school presented a Christmas program to the community.

Christmas Program Given by Bethany Union Ladies Aid

An enjoyable Christmas program was given at the morning session when the Bethany Union Ladies Aid met Friday for the all-day session at the church in San Antonio Heights.

During the devotional service passages of scripture relating to the birth of Jesus were read by Mrs. William Littlewood, by Mrs. H. J. Clewett and Mrs. Mary Phelps. A beautiful duet, "Silent Night," was sung by Mrs. Andrew Millard and Mrs. Littlewood and there was assembly singing of Christmas carols.

The program was followed by the contributed dish dinner and the greater part of the afternoon was spent socially while the women made profitable use of their time with their individual needlework.

During the business session plans were made for the big New Years dinner that is served annually by the Ladies Aid society. The members of the society contribute the supplies, prepare the dinner and serve it free to all residents of the community, as a return courtesy for the interest and support given during the year. All committees were appointed Friday and plans for the dinner are well under way.

First Concert of Season at Chaffey Draws Big Crowd

A most enjoyable program and a splendid audience for the first concert of the season, given Friday night by Chaffey Symphony orchestra, Fred Wilding conducting, forecast one of the most successful concert seasons yet enjoyed by that popular aggregation of musicians.

The large auditorium was filled with enthusiastic followers of concert orchestra and appreciative reception was given the excellent program.

The soloist was Mrs. Shirley Shaw, who sang two groups of beautiful songs, much to the delight of the audience, for Mrs. Shaw possesses a truly wonderful voice.

Mr. Wilding always endeavors to present some special features in addition to his regular numbers, and his programs never fail to please.
